| <p><b>Gör så här:</b></p> <p>1. Fyll i art enl nedan.</p> <p>2. Fyll i resp arts % täckn i resp obeh ruta (block 1, 2, 3, &amp; 4).</p> <p>3. Fyll i antal ogräs/m<sup>2</sup> i varje obeh ruta för varje art. Om antalet ogräspl är lågt - medel (&lt;15 st/m<sup>2</sup> och art) räknas 4x0.25m<sup>2</sup> men om stort (&gt;50st/m<sup>2</sup> och art) kan man ist räkna 2x0.25m<sup>2</sup>. Använd sunt förnuft!</p> <p>4. Fyll i utv.st (flest, min och max) för varje ogräsart. OBS! Gör likadant för ogräsens höjd (cm). Skriv även in diameter (cm).</p> <p>5. Signera längst ned till vänster.</p>                                                                                                                                                                                                                                                                                                                                                                    |            |                   |          |                     |           |                               |     |         |                                  |           |                   |  |       |     |     |           |                   |  |       |     |     |           |                |  |         |          |           |          |                |  |         |          |           |          |                  |  |  |  |  |  |          |  |  |  |  |  |                      |  |  |  |  |  |                      |  |  |  |  |  |                |  |       |     |     |           |                |  |       |     |     |           |          |  |  |  |  |  |          |  |  |  |  |  |
